GNCC PLAYDOWN FOR THE USA CURLING ARENA NATIONAL MEN'S & WOMEN'S CHAMPIONSHIPS

Colonial Curling is happy to announce that it's hosting the 2025 GNCC Play Down event for the USA Curling Arena National Championships at the Worcester Ice Center in Worcester, MA. The winning Men's and Women's teams will qualify to represent GNCC at the USA Curling Arena National Championships to be held in November (at a venue to be announced) competing against the other regional qualifiers.

All team members must be dues-paying, league-playing members of a USA Curling Member Club with U.S. citizenship or residency. Team members can be from different Member Clubs, as long as all team members belong to USA Curling Member Clubs that are also members of GNCC. To be eligible, competitors cannot curl in more than ten league games at any dedicated ice clubs in the calendar year of the championship. Curling in bonspiels or practicing at dedicated ice clubs does not affect event eligibility. Delivery of the stone with a stick device will be allowed. Wheelchair curlers are allowed to compete but must adhere to the USA Curling Wheelchair Curling rules. Individuals are not permitted to register for or play in more than one regional playdown leading to the same championship in the same season.

Additional details of the event will be posted shortly. For any questions regarding this event, please reach out to Dillon Wright at dillonwright514@gmail.com or Dave Rosler at arenas@gncc.org

For complete rules and requirements please see [USA Curling Championship Procedures 2024-2025 Qualification Procedures](#).
